CC Docket No. 02-6 Request for Waiver 471 App # 1030407 471-FY2015

On the evening of Tuesday, February 17th, Manchester City Library's West Branch sustained a major flood causing the closing of it's Branch indefinitely. The process to salvage and move materials to our Main Library, evaluate those materials and inventory them, remove all destroyed materials and furniture from the Branch location, clean and assess damage, then begin repair and restoration, has been an ongoing and time consuming task.

Due to this unplanned, disastrous event, my filing of the Form 470 was delayed. Because a Form 471 cannot be filed prior to the 28 day waiting period, I was unable to file the 471 within the filing deadline.

I believe this major flood constitutes understandable, uncontrollable, extenuating circumstances and therefore, I am requesting a waiver of the filing deadline on Manchester City Library's behalf.

Thank you for your consideration of this request.

Sincerely,

BEN# 120933
